Class	15	1	-	-	Credit with grade

Aim of the course

- Becoming familiar with selected works of the music literature from the Middle Ages to contemporary music under consideration of the aesthetic context and the basic problems of the composition technique,
 - Becoming familiar with representative works for the musical periods, styles and famous composers,
 - Acquiring the skills to consider phenomena and music works in a historical perspective, taking their genre traditions and non-musical connections into account,
 - Stimulation and development of the artistic sensitivity,
 - Becoming familiar with basic problems of the music analysis.
 - Inspiration and preparation for an independent use of the knowledge about music and for improving one's abilities in the field of music.

Prerequisites

Semester 1: a pass for the entrance examinations for the first year of Music Education Studies. Semester 2 a pass in the previous semester.
