Aim of the course

Becoming familiar with all the aspects of work in an ensemble on a music work, from choosing the repertoire through the work on its preparation to the public presentation of the work.

Prerequisites

Receiving all the required credits for the 1st year of studies.

Scope

Choosing a repertoire appropriate to the number of musicians, the instruments and the performance abilities of the musicians.

Organizational activities like assignment of the instrumental or vocal parts, development of the methods of work on the given repertoire, the optimal position on stage.

Work on the music staff under consideration of its form, dynamics, harmonic and melodic features and orchestration

Technical aspects of the public performance - the optimal position on stage, amplification equipment, the right order of activities during the sound check, other elements of the performance (lights, video projections, stage scenery).
