Student discusses in teams the presentations prepared by themselves and their friends.		• a discussion	• Class

Assignment conditions

Learning outcomes will be verified by three methods: regular control over assigned tasks (presentation), periodical tests and conducting an exam from the lecture.

Lecture – written exam – a list of questions covering the lecture sent to students a month before the exam (K_W02, K_W03) ; open questions with point limits. Within the given questions students should answer 3 questions chosen by the lecturer. Point limits for particular grades for the exam: 1,55-1,85 points-3,0; 1,86-2,16 points-3,5; 2,17-2,47 points-4,0; 2,48-2,78 points-4,5; 2,79-3 points-5,0.

Class – positive grade from the presentation of the chosen subject of the class – students are given a list of the subjects discussed during the class, they choose the subject to prepare a presentation with help of accessible teaching tools (e.g. multimedia projector, projector) (K_U02, K_K02, K_K03); positive grade from the test – a list of questions covering the range of the class is sent to students a month before the test, open questions with point limits (K_W02, K_W03). Within the questions given, students should answer 3 questions chosen by the lecturer. Point limits for particular grades for the test: 1,55-1,85 points-3,0; 1,86-2,16 points-3,5; 2,17-2,47 points-4,0; 2,48-2,78 points-4,5; 2,79-3 points-5,0.
